Dear Mr. Chapman

On behalf of the City of Chicago Department of Cultural Affairs and Special Events (DCASE), I am responding to your Freedom of Information Act (FOIA) request received by this department on July 1, 2019, for the following.

- *A copy of all intergovernmental agreements*

As written, your FOIA request is unduly burdensome because you do not specify a time frame of the records that you are seeking. However, DCASE would like to assist you with narrowing your request. Please email me or contact me at the number listed below so we can discuss ways to reduce the request to manageable proportions.

The FOIA provides in 5 ILCS 140/3(g) that requests for all records falling within a category shall be complied with unless compliance with the request would be unduly burdensome for the complying public body and there is no way to narrow the request and the burden on the public body outweighs the public interest in the information.

If you agree to narrow your request, please submit a revised written request to my attention.

In the event that we do not receive a narrowed request and your current FOIA request is therefore denied, you have a right of review by the Illinois Attorney General's Public Access Counselor, who can be contacted at 500 S. Second St., Springfield, IL 62706 or by telephone at (877) 299-FOIA. You may also seek judicial review of a denial under 5 ILCS 140/11 of FOIA.

Sincerely,

Christine Carrino
